SOMA
PHYSICAL THERAPY & HEALING ARTS

Accessibility Statement

Effective Date: November 11, 2026

Our Commitment

At SOMA Physical Therapy & Healing Arts, we believe everyone deserves equal access to healthcare information and services.

We are committed to improving the accessibility and usability of our website for all visitors, including individuals with disabilities.

Accessibility Standards

We strive to follow recognized accessibility standards, including the Web Content Accessibility Guidelines (WCAG), to provide an inclusive online experience.

Our goal is to make information about our pelvic floor physical therapy, post-cosmetic surgery lymphatic recovery, in-home concierge, and virtual care services accessible to everyone.

Accessibility Assistance

If you experience difficulty accessing any part of our website, navigating its content, or requesting an appointment, we encourage you to contact us.

We will make reasonable efforts to provide the information or assistance you need through an accessible alternative.
